New Claims

Applicant's new independent Claims 91, 104, and 114 each recite the use of a plugin program in the client computer. Dwek fails to teach or suggest utilizing or including a plugin or the equivalent thereof on the client computer. As such, new independent Claims 91, 104, and 114 are believed to be allowable over the cited art. Applicant's new independent Claims 124-129 are also believed to be allowable over the cited art.

Support for new independent Claims 91, 104, 114 can be found in at least Applicant's specification at paragraphs [0039], [0050], [0053], [0054], [0055], [0061], and [0063]. Support for new independent Claims 124-129 can be found in at least Applicant's specification at paragraphs [0039], [0041], [0045], [0054], and [0061]. Claims 91-129 are now pending in the application.

Claims 91-129 remain pending in the application. This amendment is believed to be responsive to all points in the Office Action. Should matters remain which the Examiner

believes could be resolved in a telephone interview, the Examiner is requested to telephone the Applicant's undersigned attorney at the (303) 685-7460.

Applicant requests a one month extension of time under 37 CFR 1.136(a) to reset the period for response so as to expire on October 30, 2008.

The Director is authorized to charge the fee for the one-month extension of time as well as any additional fee(s) or any underpayment of fee(s), or to credit any overpayments to **Deposit Account Number 50-2638**. Please ensure that Attorney Docket Number 054317-048500 is referred to when charging any payments or credits for this case.

Respectfully submitted,
